Holiday Home Exchange Club

[www.exchangeholidayhomes.com](http://www.exchangeholidayhomes.com)

## How does it work?

**Our Exchange Club** is an exciting and effective way of using any unused dates you may have in your holiday home to take holidays in new and different locations.

Why pay for accommodation when you have spare weeks in your own holiday home which you can use for accommodation worldwide virtually for free?

Just add any spare dates, and you will receive credits, which can be used to select or request other dates elsewhere. There is no need to find anyone to swap with, just request or select a date from all of our members!

If at any time you want dates back (for example you may have received a booking), you can change them (as long as it hasn't been taken by another member) and you have up to 3 years to use your credits.

**Exchange Holiday Homes** (EHH) was created by **Late Getaway.com**, because several of our members expressed an interest in swapping their own holiday homes with others. We thought "what a great idea!" and launched **Exchange Holiday Homes** in 2006.

## What do I do next?

**It's FREE to join**, so go online and register your details. You can upload information about your holiday home and if you wish add dates you will be able to do so there, to earn your first credits. There are no fees to do this.

Depending on the size of your property (see chart below) you will be automatically allocated credits and once your membership is approved you can select your holiday from our list of available properties.

A small exchange fee of only **£76** (per week, less for short breaks, see table below) is payable when you select (and it has been confirmed) your own holiday choice. **It's as simple as that!**

There is no need to wait until someone has booked your own holiday home before you can go away. As soon as you have added enough credits for the holiday home of your choice then you can book and take your holiday!

- If you cannot find suitable exchange dates, you can send us the ID ref No and we can request dates on your behalf. Many members are happy to add dates this way if they have any availability.
- Your contact information is only available to a member that has booked your holiday home or to the member whose holiday home you have booked. Personal details are not visible on the website.
- You can deposit dates up to 1 year in advance and your **credits are valid for up to 3 years**. We have a 'Late Offers' section which shows week's availability within the next 6 weeks at discounted rates (although the owner of the property receives the full credits due) and within this section you can also purchase full credits at hugely discounted rates.
- If there is something you don't understand or would like our help and advice, please don't hesitate to contact us either by email or telephone.

### How do you earn your credits?

As a member, you can deposit any number of dates that you are happy for another member to use. Each available date earns credits according to the chart below, which can then be used to select another participating member's holiday home.

To keep it as simple as possible, it is worked out primarily by the number of bedrooms your property has. There are extra credits for depositing peak season dates or if you have a swimming pool or hot tub and that's it!

You can select any property from the list as long as you have the required credits and don't forget that you can request dates to be added if there are none showing.

Holiday Home	Credits per week	Credits per night
1 bed	35	5
2 bed	42	6
3/4 beds	49	7
5/7 beds	56	8
Swimming Pool	14	2
Hot Tub	7	1
Extra Credits per week		Extra credits per night
8/9 bedrooms	7	1
10/15 bedrooms	14	2
15 + bedrooms	21	3
Peak Season*	21	3
High Season	7	1
Exchange Fees		£
Per agreed week or		76
4/5 night short break or		64
2/3 night short break		53

If you add a date (as long as it has not been booked by another member) you can ask for the date back at any time.

**You can earn extra credits** - If you introduce to us a new member, once one of our members stays in their property you will receive half the credit value of the dates used.

Countries & Dates eligible for Peak Season extra credits	
Europe/North America	Last week in July to the last week in Aug, Easter, Christmas and New Year. High season includes Easter, June and July full weeks
Florida/Caribbean	Christmas/New Year weeks, last 2 weeks of Feb to and including the first week in March. High Season includes Jan, rest of Feb Easter.
Ski resorts in Europe/North America	Christmas and New Year weeks, from the last two weeks of February, to and including the first week in April
Australasia	Christmas and New Year weeks, Easter
South Africa	Christmas and New Year weeks.

**Extra credits** can also be purchased (only when you add a week) at £39 for 7 credits. Max of 21 credits per banked week. This is to enable you to exchange with a larger property more easily.

More information is available on our [website](http://www.exchangeholidayhomes.com)

**Benefits**

Free to Join! No charges for adding dates.

Cheap holidays worldwide (just the small exchange fee (£76 per week or less for short breaks) is payable when an exchange has been agreed.

Simple easy to use 'credit' system.

You can select a holiday as soon as you have added enough credits to cover that selection, no need to wait until credits have been earned by someone using your available dates.

All properties are Holiday Homes, so no complicated arrangements.
